

Dear Parents and Guardians,

Everyone wishing to enroll or attend school in the Lee County School District will have to provide three (3) ***proofs of residence***. Even if you have pre-registered your child for kindergarten or your child attended school this previous year in Lee County you will have to provide the ***three (3) proofs of residence*** at the start of school in August 2016. The following are the approved proofs of residence:

1. A Driver's License or Government Issued Identification with your current Lee County address on it (***Counts as one***)
2. A current utility bill in your name with your Lee County address on it dated within 30 days of registration or a Lee County Automobile Registration Receipt valid on date of registration (***Counts as one***)

Acceptable utility bills include:

Electricity Bill

Water Bill

Home Phone Bill

Gas Bill

Solid Waste Bill

Cell Phone Bill (two (2) or more consecutive months' worth)

3. A copy of your mortgage document or property deed, filed Homestead Exemption Application form, or apartment/home lease agreement with length of lease included (***Counts as one***)

If your utilities are included in your home/lease agreement and you do not have valid Lee County Automobile Registration Receipt, then you must provide a copy of the home/lease agreement stating clearly that the utilities are included with your lease payment. The length of the lease must be included. This will count as ***two (2) proofs of residence***.

If you cannot provide three (3) proofs of residence, then you will be denied enrollment until you obtain a Lee County Schools Affidavit of Residency Form from any Lee County School. This form and two (2) proofs of residence will have to be provided. Failure to provide proof will result in your child being withdrawn and dropped from the school roll until you have provided a current Affidavit with appropriate proofs of residence.

These changes apply to all current students as well as students new to the district. If you have any questions, please feel free to call your child's school.

Thank you,

Jimmy Weeks, *Superintendent*
